UROBOROS'S
CIRCLE 2
STORY: Kanari Youzaburou
ART: Yamamoto Keiko

<< The story of Volume 1 >>

Wakaba (a junior in high school) is very close to the three good-looking guys who live next door to her: Yuuichi (a teacher), Kouji (a junior in high school), and Masami (a third-year in middle school), and everyone is jealous of her for that. One day, "cursed letters" began to spread among Wakaba's friends, and the whole school finds itself at the very bottom of despair! To break the curse, Wakaba fights it with Kouji, but the shocking ending is ...?!

Volume 2 takes place one year after the incident
